Eselle Group is a full service management consulting firm. Our associates are proven professionals who will provide you with affordable, practical, and quality service. Our approach focuses on client service and building lasting relationships with our clients. This allows us to better understand your needs, work collaboratively and ensure that you are satisfied with the end results. Eselle Group founder and principal consultant Lucille Aveva, has over 23 years of managing successful multinational organisations in the region presenting a variety of challenges and has gained invaluable skills and experience to provide a variety of services and solutions to support the needs of any organization. Working with associates of similar expertise and depth of experience, we bring to you and your organisation practical, true and tested solutions that we have employed and achieved great success with.
