The Kenya National Chamber of Commerce and Industry is registered as a not-for-profit private company limited by guarantee under the Companies Act Chapter 486 of the laws of Kenya. Before the promulgation of the Kenyan Constitution in August 2010, the KNCCI had its main operations at the head office in Nairobi with regional offices in the major towns in Kenya. However, after the promulgation of the constitution, the Chamber amended the legal instrument to establish a National Office and County Chamber’s offices in all the 47 Counties. The Kenya National Chamber of Commerce and Industry (KNCCI) is a membership based trade support institution (TSI) working to protect commercial and industrial interests of Kenyan business community. KNCCI advocates for the creation of a favorable commercial, trade and investment environment that supports enterprise expansion. The membership of KNCCI constitutes small, micro enterprises (MSEs), medium and large enterprises.
