Advanta Africa Ltd
Smarter, Faster Messaging

“We strive to bring a new dimension to the world of Information Technology, which is still regarded by many as being out of reach. We wish to deliver services of web designing, web application development and mobile application development, at rock-bottom prices which aren’t available anywhere else in the world. We have set our eyes on the day when clients from the western world will approach us, sensing the outstanding quality we deliver at optimal prices. The company will lead the industry one day.
